Mrs. August Belmont,
820 Fifth Avenue,
New York.

Dear Mrs. Belmont:-

I beg to acknowledge in writing the loan of your pin, Women's War Relief Corps, for our exhibition of Army and Navy Devices and Insignia. This will be returned to you at the termination of this exhibit unless you wish it sooner.

Have you been able as yet to get anything further such as brassards, &c. from the Red Cross?

I am enclosing a copy of the regulations of the Cuban Order of the Red Cross, which you may keep, and which possibly may be of assistance to you. We would also be much pleased to help you in any way, by means of our collection of orders and decorations, in your preparation of the new Red Cross medal.

Yours very truly,

Curator.
